

Music Sponsorship

Thank you so much for your interest in sponsoring music at the market!

Our Farmer's Market runs from May through mid-October, in downtown Sandpoint's beautiful Farmin Park. The market features locally grown produce, fresh baked goods, delicious ready-to-eat foods, unique handmade crafts & jewelry, original fine art, and more.

It is a hub for shopping and socializing in our community with consistent, large crowds making it an ideal place to showcase your business.

Our featured music creates a festive, fun atmosphere and is a vital part of the market. Our performers play from 10 AM-1 PM on Saturday and 3-5 PM on Wednesdays. We are deeply grateful to our music sponsors for making this gift of music possible for our community.
